“ Such a precious man. John, I feel a deep sadness for your loss. My love and warmth to Jan, Laura, Steve, and my nephews and nieces for the loss of their grandfather and great-grandfather. I truly loved Hovey. I enjoyed his spirit of life and treasure the memories of my talks with him. May he rest in the peace that he has more than earned. And may peace and rest also be with the loved one he leaves behind. May God grant you solace as you start this next chapter of your life without this cherished man.
