“ Irene was a kind and gentle lady with a happy contented countenance. I knew her at the library and enjoyed that friendship. May the memories you share as a family be a comfort in the days to come. A very special lady. Phyllis Otterness

“ *I was always impressed by Aunt Irene's many homemaking talents and then in retirement her reading to the children at the library and becoming adept at the computer,
Mary & I will be remembering you in prayer as you adjust to life without this extraordinary woman.
God bless! Jerry & Mary*
