She served on the Board of Directors of the Open Door Center for many years, and was instrumental in its growth in the community. She was an active member of Faith Lutheran Church and had a lovely singing voice.

She enjoyed baking, entertaining family and friends, sewing, doing cross-stitch, jigsaw and cross word puzzles, and reading. She was a great cook and

made uncountable batches of K-bars and cookies. She enjoyed growing geraniums year round. She was a wonderful person, wife, mother, grandmother, neighbor and friend, and will be greatly missed.

“ We were saddened to hear of the loss of your mother and grandmother. As my mother, Eva Pedersen, is not able to send a card I promised her that I would extend a greeting to the family. Growing up, I always thought it was interesting that there was another Diane Pederson, just one letter difference in the spelling! May your wonderful memories bring you comfort in the days ahead. “ Aunt Isabelle was a faithful, hard-working, and kind person. She didn't just think about doing things – she did them. Anyone who knew Isabelle knew she could cook and bake. She made wonderful meals and delicious desserts, and always seemed to have something homemade whenever we stopped by her house. She was witty and well read, and I loved to just visit with her. I moved away from Valley City over 40 years ago, and I doubt there was ever a Christmas or birthday that I didn't get a card and a letter from her. She was thoughtful and had a way of making me feel important to her. Well done, good and faithful servant. Sue Pederson Phillips

“ Will really miss my 2nd Mom...I could write a book about growing up with the Pedersons. To this day I still think about how Aunt Isabelle used to let us totally turn her basement into whatever we wanted to. One saturday it might be a hospital, the next a school or a store; as we got older it became our fish cleaning station or a place to shed all our wet snowy clothes from sledding. No matter what we did or when we were there, Isabelle always had great kool-aid, hot cocoa, and the best cookies and bars. God did a wonderful thing when he gave me my Aunt Isabelle!

“ Clayton & family,

So surprised to read of Isabelle's death--my prayers and sympathy go out to you. She was a real "get it done" person. I enjoyed the times over the years when I briefly conversed with her. My mother, Doris Hoyer Potter, thought very highly of her. She will be missed very much.

“ Clayton, Dennis, Diane, Sam and Family,
I am saddened at the sudden loss of Isabelle. Although it has been a while since I've had opportunity to visit with her in person I have many fond memories of the times I stopped at the Pederson farm with her sister, Jeanne, as we motored through from Mpls. to my parents' farm in Garrison, back in the 1980s. Later, after I had moved back to Bismarck from Mpls., Isabelle and her sisters, on one of the traditional Bous Sisters Trips, drove to Bismarck to visit over a weekend and from there, we traveled up to my family farm in Garrison. I remember how much my Mom enjoyed that visit with all of the Bous sisters, but of course she and Isabelle, being the "farm ladies," had much in common to discuss. Over the past 30+ years Isabelle and I regularly exchanged cards at Christmas time to touch base and keep up on each other's lives. I so enjoyed her wit and sense of humor, and because she was such a well-read person we had many lively discussions on a variety of topics during those visits. She was a wonderfully warm and hospitable person and she will be missed by many.

Condolences,

“ To the family of Isabelle,

Our family extends our sympathy to your family. Isabelle was a very good friend to my mother, Genevieve Uhl. Their friendship started decades ago in Nurses Training in Valley City as they were roommates, classmates and shared a very important time of life not only together but with a larger group of nurses from that time. They kept in touch, shared their lives as they married and went on to have their own families. I was fortunate to meet not only Isabelle (but Clayton as well) at their nurses reunions and anniversaries. About five years ago we were in the area and stopped by the farm for coffee and an afternoon of hospitality and stories.

Isabelle kept mom posted on news throughout the years-sharing stories and pictures. My mom looked forward to Isabelle's letters and the cards brought her pleasure and memories she would share with us. Mom has been in a care center for a number of years and has memory issues but not from this time! Isabelle helped my mom remember she was remembered and although living in Minnesota, not far away in the heart.

Isabelle will continue to be an angel. She lived that role her whole life. That is how I and my mom will always remember her.

*Blessings to you all,
Kathy Grundei

Isabelle was my very favorite "in-law" aunt. She was positively the greatest cook in the county. We shared many hours together over a cup of coffee. She will be missed by so many,
