“ Two years ago we took a family vacation to Valley City from Tennessee with both children, which is tough to do. Cassandra is living on her own and Bryant is going to college. Our trip was centered around Grandma Jane so we could spend time with her. We spent one of the days at her apartment and lunch at the pizza place. The kids and I(Raymond) went to an antique store nearby and came across a scrap book of old wedding/birthday cards. Charlene went back to look at it and recognized several names. We bought it and took it back to Jane's and we spent the next few hours looking through the book. I don't know who the book belonged to but Jane knew almost every person who had signed the cards. It was a trip down memory lane for Jane. I believe we were meant to find that in the shop that day. When we were about to leave, Jane pulled me aside and thanked me for taking the time to bring my family to her on our vacation. My response was THANK YOU. I will truly miss Grandma Jane.

“ *To the Family of Jane Olson,*

I wish to extend my sincerest condolences to Darrell, Diane, Deanna, Eloise and Uncle Bill(Aggie) and all their loved ones upon hearing of the passing of Aunt Jane. I am so grateful to have been able to see and visit with her last 4th of July. I have fond and long lasting memories of visiting and staying at the farm when I was a young boy. Aunt Jane showed me where the bathroom was, and it wasn't in the house. She will be deeply missed by me, as well as all my brothers and sisters.

“ She was the most amazing grama a granddaughter could ask for.. She always was there and loved you no matter what you did.. Never forgot a birthday or a christmas card ever... She was always proud of you and believed you could do anything your heart desired if you put the time and effort into it.. So always greeted you w open arms w a huge hug and kiss on the cheek and always had some kind of goodies to give you weather it was homemade carmel rolls or just a bag of oreos.. She always kept the sweet tooth happy...Thanx grama for all you have done for me and i would of never made it as far as i did n my life if i didnt have to guide me and be there for me when times got hard.. Gonna miss you and love you so much... Your Granddaughter Ashley Elizabeth Storbeck
