“ Ron Anderson Family: Just like to send our condolences to Audrey and the rest of the family. I didn't really get to know John and Audrey till later on in their lives. Richard and I would be sitting at the farm and we would just call John O to B.S. Then there was the time that John And John Andrist came to Lake Darling fishing. He had his trusty Chevy pickup that he was driving. Must have been around a 75 model or so. Charla and I visited them on the farm one time just before they moved to Litchville. I will cherish the memories I have as I am sure u will also. Seems like I can't look at a piece of Apple Pie without thinking of John O and Audrey. We have one of his BS grinders sitting on one of our end tables. Seems like it never fails that one of the little kids that visit always pick it up and start grinding away. Thanks for the many calls we shared John.

My condolences to all of the family.

I had a great childhood growing up next to John, Audrey, and the rest of the family. One of my favorite memories was when John was trying to round up some of his cows and our St Bernard dog tried to "help". John got so mad at him he was throwing rocks and shouting indiscriminate names at the dog, the dog ran away, but when John went back to his pick-up, there the dog was lying on the seat. John said he thought twice about trying to get in, but Tank was a forgiving soul. John was too. He forgave us neighbor kids for a lot.

“ *Dear Family,
We send love and prayers to you at this time, trusting the Heavenly Father to send comfort and His peace that passes understanding.
We have special memories of John when we attended Audrey and John's 50th Anniversary celebration and when John and Audrey came to Lake George and we went to gift shops with John's wooden boxes he had made. Also, good memory of Audrey and John coming to MN for Liz and Marlyn's 50th celebration. It was always fun going to the farm growing up in the fall and bringing home the corn!
Love and prayers to each of you.

“ *Helen, Ron, Warren, Arlene, and Audrey:

Our sympathies and condolences in the loss of your father and husband. I always enjoyed a chance to visit with "Johnny." I remember stopping by your farm on the bus route. He was very proud of his family and community and such a good neighbor and friend to all. In going through old family pictures, I have pictures of your father and mother visiting with the Jacobsons that I would be happy to send you.

Take care,
