

Joyce May (Jorgenson) Saji

May 24, 1954 - November 5, 2023

Joyce May Saji (Jorgenson) born May 24th of 1954 in Valley City, ND passed away unexpectedly at the age of 69 from complications related to a stroke early morning on Sunday November 5th, 2023, at United Hospital in St. Paul, MN surrounded by family.

She was preceded in death by her parents; Dorothy and Howard Jorgenson (Frances) her sisters; Harriet Johnson (Jerome) and Judy Anderson (Gordy).

Joyce was raised in Valley City-wintering in town and summering on the family farm. She adored and admired her parents, sisters, and their families. Their tenacity, strength and resilience became a foundation and cornerstone of her life. She attended college at VCSU and graduated in 1974 where she met and eventually married Tatsuya Saji on February 22nd, 1975. She was massively creative and skilled as a maker. An example of her inherited determination, drive, and resourcefulness throughout her life can be showcased with her wedding-sewing her own wedding dress, bridesmaid dresses, and baking a gorgeous, tiered wedding cake.

After their union, they spent a year touring state fairs selling chicken skewers and used that income to spend the following year in Japan. Their adventures continued back in the US when they opened Saji-Ya, one of the original sushi and teppanyaki restaurants of the Twin Cities. (1980) She was also very proud

of the time she spent in the airline industry working at Northwest and subsequently Delta airlines.

She found a lot of purpose in caretaking throughout her life. She continued that by giving birth and raising two children: Stephanie and Jason (Nicole) Saji. Along with her children she is survived by her grandchildren: Maliyah (Nico, great grandson), Ethan, Olivia, Tazuko, Emilia, Emiko, and Taisho. As well as her many cousins, nieces, nephews, and extended family including friends who she loved and cared for so very much. As she sang in one of her favorite karaoke songs- The Greatest Love of All, she believed and knew that children were her future. They were her pride and joy. Her other loves included her farmland roots, plants, animals, and her many collections 😊.

Stephanie and Jason welcome all to join in celebrating and remembering her beautiful life. We all know she had plenty of pictures to share! Family and friends are invited to partake in any activity that fits their location or schedule. Remembrance and grieving happen individually-please don't feel any pressure for attendance. These options are truly optional-we would like you to find your peace, your way.

“ Sincere condolences to Joyce's children and grandchildren. Joyce will be missed by so many, including myself. Joyce's mom, Dorothy, was my mother's first cousin (Lila Banna Roggenbuck). Joyce's grandfather, Steve Steffenson, was my grandmother's brother. Our families visited back and forth between Valley City and Minot a lot when Joyce and I were kids. Being only a year apart in age, Joyce and I spent a great deal of time together during the visits. She was always a fun, kind and gentle person. After attending her wedding during our college years, we both went out into the world and we lost contact. So many years later, we reconnected when I moved to the Twin Cities area after I retired. We decided to meet for coffee only to end up spending several hours together, looking at old family photos and reminiscing. We subsequently spoke on the phone as covid, medical appointments and immediate family obligations kept us occupied. I wish we could have gotten together more. I would still enjoy meeting her children and grandchildren. My apologies for not being able to attend her funeral. Joyce was a lovely person.

“ To Joyce's family, so sad to hear of your loss. She was a dear life long friend. We had so many fun times. “Sleep overs” growing up and even on girlfriend weekends as adults. We lived miles apart but always close in our hearts.
