“ *Dearest Shelley and Horst family, I just want to express my deepest sympathy to you all in the loss of your mom, wife, grandmother. I know the pain you are experiencing and there is no amount of time that takes that loss away but we who are left on earth must try to replace that feeling of loss with the joy, memories and lifelong lessons our loved ones left behind for us. May God wrap his loving arms around you all and guide you through this very sad and difficult time.*

“ Mom. I love you so much! You where more than my mom you where my best friend in the world. It is going to be so hard life without you but I promise since I am the oldest of your four children to watch over JoDee, Tonya and Shannon you loving kids, and promise to help dad out as you took such good care of him as I know you always worried about him if you where not around. You are so loved by so many people, your grandkids where your world and they will have memories and pictures to remember you by. I will forever keep you alive in my heart my dearest mother. I know you are now with your parents, your sister, your grandparents and all your aunts and uncles. You did so much for me and taught me so much as you did for all your kids and I am forever grateful. I am so proud how you fought that last eight years of cancer as I cannot imagine another person as strong willed as you. You gave us kids such a wonderful life. I mss you mommy so much but I know you are not suffering anymore. I will see you someday in Heaven with open arms. LOVE YOU FOREVER AND EVER MOM!!
