

Karen J. Olsberg (Anderson)

November 20, 1942 - January 20, 2021

A graveside service will be held 10:00 am, Saturday, June 26, 2021 at Woodbine Cemetery, Valley City, ND.

Karen Joan Olsberg (Anderson), age 78, passed away on Wednesday, January 20, 2021 at Farmstead Memory Care in Moorhead, MN. She was under the care of Hospice of the Red River Valley, and her daughters were by her side.

Karen was born in 1942 in Jamestown, ND to Earl and Irene (Horkman) Olsberg. She grew up and lived most of her life in Valley City, ND. Karen attended and was confirmed at Faith Lutheran Church, Valley City and graduated from Valley City High School in 1960. She then attended Valley City State Teacher's College for one year.

On April 14, 1961, Karen married her high school sweetheart, Lynn Anderson, at the United Methodist Church in Valley City. They remained married for 48 years. When the couple was first married, Karen worked at American National Bank of Valley City, and after that as a bookkeeper for Dakota Auto Supply in Valley City. In the late 1970's, Karen and Lynn started a small business in their home taking family, wedding, and reunion pictures. Karen helped with photo shoots, processed photos, and managed books. After 10 years in the photography business, they set off over-the-road trucking. They traveled throughout the United States for four years while working for various trucking

companies. Upon returning to Valley City, Karen retired to be home and spend more time with family and friends.

In 2016, while struggling with early-onset Alzheimer's disease, Karen moved into an assisted living apartment at Farmstead Care in Moorhead. As the disease progressed, she transferred to the memory care unit at Farmstead Care where she lived until her death.

Karen was a devoted mother and grandmother who enjoyed making her time with family special. She loved to spoil each of her family's dogs and considered them part of the family. Every week Karen looked forward to meeting her high school classmates for coffee. She also enjoyed walking, yoga, and gardening.

Karen is survived by her daughters, Deb (Ron) Jensen, Moorhead, MN, and Tamra Anderson, Duluth, MN; grandchildren, Chelse (Mason) Ware, Moorhead, MN, Aaron Jensen, East Grand Forks, MN, Caryn Bruce and Liam Bruce, Duluth, MN; great granddaughter, Ella Ware; sister, Barbara Olsberg, Valley City and brother Steven Olsberg, Rapid City, SD.

Karen was preceded in death by her parents and her sister Bonnie Schlaffman formerly of Sequim, WA.

“ *Deb and Tamera,*
My sincere condolences to you and your families. You probably don't remember me, but I was a second-cousin of your Dad's and knew your Mom quite well, while I lived in and visited with her on a few infrequent visits to VC, usually at Dakota Auto.
I know the type of difficulties you probably faced with her Alzheimer's; my dad had it too.
Time heals, my best wishes to you during this time of grieving.

“...and here closes another "chapter" of my life with the passing of a dear friend. Karen and Lynn, along with Deb and Tam, entered my life thru our passions in photography and custom cars. It was extremely hard to accept Lynn's disease to his demise, but with the request of Karen wanting for help through those early times, I was honored. Some Memories will never fade...

Gale, we are so lucky to have had you as a family friend. I don't know what Mom would have done in those early years of Dad's dementia without the help of friends like you and your patience and kindness! I know how much Dad respected you and they both valued your friendship. And, we all loved having you visit. Hopefully your memories will be of the happy times with our family!

“*Dear family members of Karen,
My wife and I want to extend to you our heartfelt condolences and prayers for God's very real comfort for you, as we have experienced. It was so interesting to read your mom and grandmother's life story! It is clear that she had a strong faith. We share our Jesus' words in John 11:25-26 to his dear friends: "I am the resurrection and the life. He who believes in me will live, even though they die; and whoever lives and believes in me will never die!" What comfort we have in Jesus who promises us Eternal Life and reunion in Heaven for us and all who believe in Him, including our loved ones!*

TA

Oh yes Lisa, I remember those Flintstone vitamins that mom used to give us! She was so full of hugs and love for others. Sometimes it feels like just yesterday we were playing with Wiggletail and Fifi in the front yard at Riverview Drive. I think mom always thought of you and Kim as being some "bonus Daughters" of her own! 🥰

“ *When I was young Karen and Lynn loved doing the photography and spending hours in the dark room developing the photos !! I was able to get to know them very well as they built a remote control racetrack just outside of oriska. Many hours on the weekends out there and it was a party all the time !! Karen always had a smile on her face !! She will be missed !! Love always and never forgotten!!!*

Rick pommerer - January 30, 2021 at 11:46 PM

TA

Thank you Rick. Oh yes, the remote control race track that Mom and Dad built at Oriska. Mom spent many hours out there helping in any way that she could. I think you almost grew up out there lending a hand too didn't you? Deb and I found pictures of the racetrack, definitely a team effort making that place. Thanks for the memory.

Thank you Roxanne for your condolences. Mom was very kind indeed! Kind to people, and animals as well. And I was so glad she was such a fun-loving Mom!! Remember when she let me come up to stay at your place, in the camper, during the North Dakota winter show? She always seemed like such a "cool- hip mom" when I was growing up. And I thank her for that...

“ *Karen was a very special lady. Though I hadn't seen her in recent years, I remember that she always made me feel special. I was blessed to have her help with my senior pictures, and the best was when they agreed to come out and take pictures at our wedding. I believe I remember her saying one of their first weddings was my oldest sister Denise's wedding, and we were one of the last weddings. She leaves behind two beautiful daughters that learned a lot from her. Sending love and prayers.*

Yes Grace, there were so many weddings and senior pictures during those "Photo Fun" years. I think Mom has managed to attend more weddings that anyone else in Valley!! And she gave Deb and I so much love and support through all those years...
