“ I was lucky to play piano at local Monterey Theaters with him on stage. Wow, what a voice. What a carpenter. What a guy! Everywhere I walk in our CV house is covered with his work. Every square inch. Not joking. He was the best! 😭

“ Condolences to the family and friends of Keith. I had the pleasure of knowing, and working, with Keith. He was a genuine, kind, loving person. I was so sad to hear the news of his passing. I know he touched many lives through his work, and his performing. I will forever love his rendition of “Oh Shenandoah” more than any other. RIP, my sweet friend.

“ My most sincere condolences to all the family. I loved singing with Keith in the Monterey Peninsula Voices; one of my favorite memories is getting to join Keith in a duet on one of our songs a few years ago. My part was only a few measures long, but it meant a lot to me to share the stage with Keith for that time. He was a very special guy!
