“ Dear Family

You have my sympathy on the passing of Ken. I enjoyed having him in the afternoon coffee group for many years. I will remember his dry wit and insight on things going on with public affairs.

“ I'm sorry to hear of Ken's passing. Ken and I got started in VC about the same time. In the early days he and I worked on a number of building projects and i'll never forget the knowledge and skill that man had. I for one will surely miss him. '

I'll keep him in my prayers.
