“ It’s hard for us to let you go, Grandpa. We love you very much and miss you terribly already. While our lives here won’t be the same without you, we know someday we’ll all be together again and when we are, we’ll have even more fun than all of the 4th of July celebrations at the farm put together. Until then, we’ll hold you close in our hearts and cherish all of our many special memories of you. Vi elsker og savner deg bestefar.##imported-begin##Sheila##imported-end##
