“ It’s crazy to find out through a friend who never worked with him that Kent is RIP. So thankful she did otherwise I’m not sure I would know since I moved to Fargo and I haven’t been in contact. He was a guy you never forget. As my friend that text me this information knows how much I cared and loved him when I was younger, He gave me brief glimpses of meaning in life through his hugs and smiles which helped some of my dark times. He seemed to love others who he knew loved him. I loved when I got to take him to Burger King, everyone got to know him and knew his order. He was a great smiler and teaser. I got an opportunity to drive him to Fargo by myself to one of his families functions. His family where so friendly and you can see they truly truly loved him for who he is and made effort to see him as oft as they could. Open Door Group Home 5 was his home and his family. It was were he got to be Kent. Thank you family and friends and Open Door for letting me be a part of this wonderful man’s life for the time I had. Be comforted in God’s word;
“But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him.”
1 Thessalonians 5:8-10 KJV
