“ *Kim and I got to know each other during the time he had the feed and seed store in Valley City. We did business together for many years and we joked about being members of the support group for adult males named Kim, good memories. Your family is in our prayers.*

“ *So sorry for your loss. I remember Kim from the Hobart 4-H days! I remember him as being extremely shy. If you talked to him his face would turn beet red and matched his hair! He was so nice and sweet.*
