I remember when she had some car trouble and Brian asked her what kind of car she had and she replied a Ford Mercury Monarch. We laughed so hard. Brian told her she needed blinker fluid for the blinkers wouldn't work. She called and asked how much blinker fluid costed and the guy laughed so hard. All Kristy could do was laugh and Brian and told him to be nice. Love you girl.

“*Kristy was an amazing person. She babysat me several times growing up as our moms were close friends. I am happy to know that she is now with her Lord & son, Jordan & brother, Travis, but wish comfort & strength for Don, Rita, Vicki, Lexi, her granddaughters, and her entire family & friends that loved her so much! May the Lord watch over you all in the days to come.*
