“ *It was such an honor I was able to be involved in Kurt's care. I talked with Dr K from Minneapolis today and both agreed no one could be more positive in the face of adversity than Kurt. He was always telling me "I'm the odd duck". That always made both of us smile. Prayers of healing and peace for Kurt and your entire family - Susan H*

“ So sad to see this. Kurt was one of the "littlest" Kramer kids. Such good memories of visiting at the farm when we were young. God's Blessings to you all during this time of loss and may you find peace in the many great memories.

“ To Bonnie and to Kurt’s family,
I didnt know Kurt until about 5-6 years ago when I needed some mini-backhoe work done & he came to do it. We spent a lot more time talking than digging that day and became fast friends. Kurt was a remarkable man, good at a lot of things, none of which he thought of as exceptional! We shared a love of good barbecue, smoking meat, energy efficient construction, and loving our respective grandkids! The world lost a good, good man this week and he will be missed. Thank you for sharing him with the rest of us!

“ I’m so saddened to learn of the passing of my Uncle Kurt. He was an incredibly kind and honest man. Over the last decade, he struggled with a puzzling digestive disorder - and while I always wished it was under different circumstances, I am so happy we had the chance to spend time together and learn more about one another when he had to come into town for various procedures.

The Hein family sends our love to his caring wife Bonnie, the entire Kramer clan, and all that had pleasure of knowing Kurt.

“ Many Memories of Kurt come to mind. Basketball, Baseball, throwing Bales. Kurt was always the first one to say Hi and I never heard him say a mean word, a true testament to how Kurt was raised.

My condolences!!
