“ I worked with LeAnne at the restaurant in VC. A lot of good laughs and never a dull moment with her. I remember one night we were going to go out after work for a late breakfast and she rode with me. She wanted to stop at the package store before they closed. It had been snowing a lot. All of a sudden she says "Turn here!" I said "Here?" "Yes" she shouts. Well I did and we ended up going into the ditch and out thru a ton of snow. Needless to say it wasn't exactly the turn. We were bouncing around and laughing. The guy in the package store comes out and says" Ive had 4 wheel drives stuck in there tonight!" My dad's old whale care made it through. LeAnne and I were still laughing about that for along time.LeAnne you were always a kick in the pants. Blessings to your family.

“ *I am so sorry for your loss. LeAnne was such a kind soul and caring friend. She cared for several friends and family. She treasured all of the years that she had with Gordon Hansen. LeAnne was a good friend of my moms, Myla Nielsen. RIP LeAnne.*

“ *I read the Obituary. I wish you would stated that Gordon and LeAnne were together for over 40's. He took care of here and she took care of him with love, kindness and of course stubbornness. They spent their lives together with love, affection, and adventures. Leanne was always Gordy's ' wing man' and vice versa. I was so lucky to have them in my life. Leanne was very special to me. I thank God she was there for me and my Grandfather.*

Leanne was that “Old Friend” I did not know I had. Leanne, Patsy (my next door neighbor) Joni, helped me through life when my wife Bonnie passed. Those friendships can not be replaced. ❤️

I just met LeAnne about a year and half ago. She would walk her dog in cart and started to stop and talk to me. We became good friends with her always checking in on me. Bringing me little surprises. What I loved about LeAnne was her spunkiness, and very kind. I will miss you LeAnne as our neighbor and a dear friend to me. 💕

LeAnne was a thoughtful & caring person. We were friends for over 65 yrs.... I felt then & now she was under appreciated in the way she conducted her life. I will definitely miss her telling me what is going & I should know about it. God bless LeAnne's memory.

My husband and I moved to valley city in 1966. We met Jerry and LeAnne who were our neighbors in an 8 plex. They became our best friends. Had many crazy adventures and lots of parties. She was true blue and you could always count on her. Plus her chocolate chip cookies were the best. I'm so sorry we lost touch thru the years but I will always have a special place in my heart for LeAnne. Rest in peace my dear friend.
