“ Our thoughts and prayers are with Lila's family still yet and will be for some time. Lila was one who always had a smile, an encouraging word, and time to acknowledge one's presence. May her spirit live on in you, her family, and the rest of us, until that day we meet in the mansions Jesus has prepared for us.##imported-begin##Elaine Hilscher##imported-end##

“ I was so sorry to hear about Lila's death. She was my first grade teacher and was kind and made me feel special. I remember her teaching me to read in the Dick and Jane books. I enjoyed visiting with her as I grew up and left the Litchville area. May you all take comfort in knowing she is with the father of all. God bless you.##imported-begin##Melody Olson Vachal##imported-end##

“ I just pulled up the death of your Mom, Grandmother, and friend to so many, in the Fargo Forum. This was the first we knew of her death.. Lila was a special friend to all of us Keel girls as well as her brothers & sisters. We know she is going to be missed. Also we know she is with her dear husband Ray and I know she has missed him so much. She was so up-beat through her illness and and was really happy with her apartment. Please accept our deepest sympathy. We love you and will keep you in our prayers. Love, Milo and Marge Larson##imported-begin##Marjorie Keel Larson, Punta Gorda, FL##imported-end##

“ *Lila, was my favorite teacher of all times. She taught one year with about 18 students at Gladstone #1 around 1948 or so and she was wonderful. We were so looking forward to visiting with her in 2010 as it has been a number of years since I last saw Lila.*

Lila will certainly be missed.##imported-begin##Ron Olson##imported-end##

“ *read about your mom's passing in the Jamestown paper. My mother, Marge Nordgaard was on the Litchville faculty with Lila for many years. Mom referred to Lila many times as a wonderful co-worker and friend.*

I am sure you will miss her greatly, but have a wealth of good memories to carry you through this time.

God bless you all,

“ My deepest sympathies go out to the family survivors of Lila Lebahn, a good friend and a great teacher. I had the good fortune of working with Lila for 13 years in the Lithchville School District. She was a compassionate, caring person who wanted to make certain that her first grade students received the right start as they began their public school education. She will be missed.

“ We will all miss Lila. I had a nice visit with her at the Ellendale volleyball tournament championship game when you had 4 and 3 generation pictures taken with Carly. visiting with her was like keeping a bit of Norman's sister Patty with us. They were in high school in Marion at the same time and I was their go between in passing on news. She was a good mother and grandmother to all of you kids. But she was getting tired and it was time to go be with the family that has gone on ahead of her. Our love and prayers are with all of you. “ Lila Lebahn is my aunt and was my first grade teacher. She touched the life of every first grader that passed through her classroom. Lila loved and guided and encouraged each one of them as if they were her own children. Lila -- so generously loved so many and I'm sure will not be forgotten by any. Godspeed.
