“ I got to know Lola while she was a resident on first floor at Sheyenne Care Center. I enjoyed visiting with her about my family she knew-Harry and Arlene Holm and their children,her raising african violets and her joy of listening to Daniel O'Donnell. She was a special lady who I will always remember. Bonnie Olson

“ I worked with Lola at Mercy Hospital. She was the sweetest co-worker and was always ready to lend a helping hand where needed. She taught us what real work ethic was. We also had our fun at work and her laugh was contagious and her smile lit up the room. It is hard to lose such a kind person. I have not seen her in many years, but she will always be a sweet memory. My deepest condolences to Lola's family. May your memories and love guide you through this difficult time. RIP dear lady.

“ *After saddling up the horse and heading east my first place to go was up Lola's driveway. I would ride back and forth in front of her picture window till she came and waved at me. This was our hi how you doing greeting. We did this for many years. Lola always had a big smile to share with me. I can see her waving at me right now. Cy R. Metcalf*
