

Louise Sara Nicoli

July 23, 1925 - January 25, 2014

Louise Sara (Friedman) Nicoli, 88, passed away, January 25, 2014, at the Sheyenne Care Center, Valley City, ND. Louise Sara Friedman was born on July 23rd, 1925, in Long Island, NY. She was the daughter of Abraham and Rose Friedman. She was educated in Brooklyn, NY and graduated from High School in Baltimore, MD. She worked for the Baltimore and Ohio (B & O) Railroad in Baltimore, MD. She met Harvey Nicoli in Baltimore at an USO Club. They were married on May 31st, 1947 in Washington, DC. They lived and farmed near Valley City, ND until retiring in 1982.

Louise was always thankful for the love and support from family and friends who helped her become the strong, caring person she was. Faith, family & friends were very important to her. Her three sons, Don, Louie and David were her pride and joy. She enjoyed all their activities, especially wrestling at VCHS.

She was a member of Trinity Lutheran Church, Valley City and served on the Church Council. Louise was active in the Republican Party and enjoyed serving with them. She also enjoyed her time in the Eagles Ladies Auxiliary and reached the goal of Madame President for the Eagles of North and South Dakota. Her ability to tell a good joke always had friends and loved ones laughing. She loved her time with Weight Watchers and as a lecturer for others.

She loved to travel and enjoyed visiting her sons and families as they lived on opposite coasts of the US. She was very proud of and enjoyed spending time with her Grandchildren and loved watching and cheering them on in their activities during school and their accomplishments in their adult years. Her home was always open to them and all her friends and family, with baked goodies of all kinds or a delicious meal before they left. She loved to read, work on crossword puzzles, crochet afghans, dolls and various decorations, play bingo, take occasional trips to the casino, watch her flower beds and planters grow and bloom and watch the birds in her feeders.

After retiring, they spent their winters enjoying Florida for 25 years. She enjoyed golfing, cards with friends and sightseeing in Florida. The last few years of her life were her most enjoyable even though she lost her hearing, sight and mobility. She loved her visits with her family and friends and was especially thankful to all her caregivers for their tender, loving care. Her positive outlook on life and genuine care and love for others will never be

forgotten.

Louise is survived by Harvey Nicoli, Enderlin, ND, her sons Donald (Jody), Gresham, OR, Louis (Jan), Valley City, ND and David (Laurie), Greenville, DE. “ Nicoli Family: So sorry for your loss, but heavens gain. I only knew Louise in her last year. (Being just one of her caregivers.) We had so much in common, as I was born and raised in Md., married a man from N.D., and became a snowbird wintering in Fl. She and I had so much to talk about. I enjoyed every moment I spent with her. She was a very upbeat individual. It was obvious that she loved her family dearly. I am now in the state of Fl and only heard about her passing just a few days ago.

“ Nicoli Family: Lots of memories of all the good times Joyce & I had with your Mom. She always called us the kids! I'm not sure why as we are just 3 years apart but she always looked younger especially with her beautiful hair. My sister Lorraine & Louise were great friends & they both lived life to the fullest. They were so sharing of everything with others.

We always stopped to see Louise when ever we could, but the last few years our health

has prevented travel. When we stopped to see Louise she always gave us an uplift with her positive outlook on life. I'm sure my sister & Louise are having a great time in heaven as well they should. They gave so much to all of us "KIDS" as Louise said.

“ Nicoli Family...So sorry for your loss, she was a very special lady. She was a very good friend with my mother and i remember fun times going out to the farm or when she came to ours. (except for the time she brought chickens with her and she & mom proceeded to cut off their heads! I am amazed i still like to eat chicken!) She had a twinkle in her eye and a wonderful laugh....she will really be missed! Thoughts and prayers go out to you all.

“ Harvey, David, Louie, Don and family. Louise was very close to my heart. Growing up with David allowed me to be like another son to her. I will always remember her kindness to me growing up. I know I was not a wrestler but the basketball gig was the best I could do. Some of my life lessons were taught by Louise and I could never say thank you enough for those experiences. I know her presence will be missed. But her legacy lives through her sons, daughters-in-law, grandchildren and people like myself who got to know her. I send my love to all of you and wish you the very best. God bless Louise and the Nicoli family.

“ *The positive influence of Louise effected the lives of her many friends. Our family was the benefactor of her great attitude on many occasions. She met the challenge of moving to the prairie of ND and she raised a good family. Visiting the Nicoli farm on the high ridge near Cuba was always a fun experience. Cherish the good memories,*

Thank you Russ for your kind words. Our Mothers were very tough women to handle what they did on the farm. Mom' presence here on earth will be missed. She will forever be in our hearts.

“ To Don, Louie and David... As did others in Louise's life, my mother Rosella received so much wonderful support and loving friendship from your mom. Louise's positive outlook and personal confidence always encouraged and cheered mother D. When we pulled into your yard for eggs, I knew that we'd have a fun and long afternoon! Louise contributed richly to her community and friends, as you and your families should learn in this time of tender remembrance. Regards, Dick Danielson Friendswood TX

“ I want to send my thoughts and prayers to Harvey, Louie, and rest of the Nicoli family. I always enjoyed my time around Louise, when I was working for you guys. When I was painting the buildings on her farm, she would always make me lunch. We would always listen to Paul Harvey and talk about what was in the news. She was such a nice woman.

“ Thoughts and prayers are with all of you at this time of your loss. I remember hearing stories of the welcoming to the community - "barn raising" or whatever else they were called, know they were done in love but what courage it must have taken to learn about all the relatives, unfamiliar faces and new traditions. I always admired Louise for her stand up personality and dedication to family, friends and community. Remember pictures from when we came to visit your family - suspect most times it was on a Sunday because that is what we did on Sundays after church. Saw your Mom when I visited Walt and as always she was most gracious - - Know you are in my prayers and thoughts, we all know it will come but it does not lessen the feeling of loss. Carol Grant
