“ *I am so sorry for your loss. Marilyn and I worked together at the Dairy Bar and became friends even though I was older. Because my parents lived in the country I would stay overnight with her when we worked until 10 pm. Lots of laughs and night time giggles, at work and when we got to her house. I was so honored when Marilyn chose me to be one of her bridesmaids. I still have the formal wedding picture among my treasured photos. I moved away but whenever I got back to Valley City I would make sure that we had a time to say hello and have a hug. Many times it was at the bank. We had a quick time of catching up at the all school reunion in 2013. My thoughts and prayers are with your family. Marlene Graveen Ankrom*
