“ Dear Diana, we are so sorry for your loss of Mark. I hold treasured childhood memories of him, you and your dear family close in my heart. One of Mark that still makes me smile is when he was little he was watching a tv show about a dairy farm. He suddenly jumped up and ran to your Mom in the kitchen and was so excited he could hardly talk. "Mom! Mom! Milk doesn't come from the store, it comes from cows!" Your Mom smiled her lovely mom smile and reserved her giggle until he went back to the tv.

I miss your Mom and your dear big sis and feel certain they were there to welcome Mark home with open arms and that lovely mom smile. He is free now and with those who love him dearly. What a wonderful place to be. Our hearts and prayers are with you always.

“ Dear Diana and family....I am so very sorry to learn of Mark's passing. I will always remember him as being a very quiet boy. I believe he's with your mom and dad and Laurel. I can't tell you how much I miss Laurel. She was more than my best friend.... she was my soul mate! 😭 You and your family are in my thoughts and prayers.
