“*Mary Ann loved nature and felt the spirituality of shrubs and trees. She was devoted to sharing her gardening gifts with friends and the entire community through the volunteer work she did both for the Valley City Image and Beautification Committee and beyond. I shall always remember her as I work in my garden which she helped design.*

“*We met Mary Ann when we became neighbors in the country and very much enjoyed spending time with her and Don. I also learned lots from Mary Ann when it came to gardening and flowers. Her smile and sense of humor will be missed. She passed too soon.*

“ Mary Ann was a classmate of mine in Bowbells. We rode the bus together to school & back for a short time, until our family moved back into town at Bowbells. Her mom was a teacher, & Mary Ann was able to excel to the next grade, which then she was a classmate of my sister, Vonnie. We were the Roness family. Did enjoy spending time with Mary Ann in band, chorus, & hanging out together one summer in high school. I am very saddened to learn of the passing of Mary Ann. I will treasure our memories growing up forever. Prayers to Mary Ann's family. Rest in Peace Mary Ann.

Mary Ann was a classmate, but I think she graduated earlier than the rest of '74'.
She was so smart, had a sarcasm beyond her years, and "very cool"!
She was an original..!
I'm so sorry for your loss.

“ Oh Mary Ann, how I wish we could have one more visit about the world and for me to say goodbye with a hug. I've lost touch over the years, but every time our paths crossed, we had way too much to say. Will miss you, Lynn
