“ *LISTEN*

*Years from now
when I am gone
and you're alone
listen carefully.*

*Hear my whispers
in the wind
and the waves
on the sea.*

*When the moon
is full and high
watch for shadows
on the wall,
before the dawn
I'll come to you,*

*as you dream
you will recall
the times before
my soul took flight,
when our hearts
still beat as one.*

*Sleep in peace
for I am just
a breath away
when day is done.*

“ Mavis will always have a special place in my heart. It's hard to find the right words, but she truly touched many lives. She was always interested in what was going on in your life and all about your family. She was a proud mother and grandmother - - and a pretty cool Facebook friend to many! There is an empty spot at the local coffee table that just can't be filled!

“ Heaven gained a wonderful angel! May your memories of her never be forgotten. Thoughts and prayers to the family. One of my favorite memories of Mavis was her top notch trick or treat candy. She always had the best treats and filled our bags full. RIP Mavis.
