“ I will always remember my dad and Uncle Norm taking us up the river to camp at the "Dug-outs" It rained the whole weekend and Dad and Norm stayed in a lean-to and got wet as fish, while us boys were high and dry in the big tent. Cold, wet and angry would describe Norm but he never showed it while there, we only found out later when he told stories of the trip years in the future. What a great guy! He had a great life and we all were blessed that he was part of our lives. Love you Uncle Norm and will miss you, Mitch and family.

“ My thoughts and condolences out to Norm's family. I met Norm back in the 90s while working at Fargo Clinic/Meritcare Hospital which eventually became Sanford. Norm was so approachable and always had a smile and a joke or two to share :)! It was an awesome work and friend relationship. We played a lot of golf and loved to socialize afterwards:! He attended quite a few of my annual birthday parties in small town Wolverton, MN. He even let me wear his hula girl tie one year! It was also entertaining to hang out with Norm, Jody, Dean and Randy. Always Entertaining!
I relocated to Florida in 2019 and Norm checked up on me a couple times. I called him most recently on May 29th. I could tell he was weak, but he kept bringing up about the fun times we had! He will truly be missed! RIP my good friend. Benny Kragerud:)

“ He is my Uncle. I hardly knew him since everyone moved away when we were young.
I was between jobs and took a travel job in Fargo ND. In the winter. He was my Rock and support . Christmas he found a ceramic Christmas tree that he had not put up for years .warmed my heart when I was struggling with my situation.
We ate chocolate covered cherries and he told me lots of stories about relatives. He will be very missed and so glad that he is in Heaven.
