“ Dear Myla and Family
How fortunate you were to have someone like Randy to cherish all these years. His birthday was the same day as Tom's. I remember Randy as so cheerful and kind...tho I had not seen him for some time I have heard from others of his continued uplifting spirit. My sympathies to you at this time ..I understand.

“ I believe God's angels have carried Randy in splendor. I was in Class of 1971 and remember Randy as having a great sense of humor and always pressing forward. I was so glad to know that he was the bookkeeper for a local floral shop and we could exchange a few words from time-to-time. I especially love seeing this handsome photograph of Randy which reflects his optimism and kind soul.

For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us fromt the love of God. Romans 8:38-39

“ Dear Myla, Deb, Rick, Bruce and Mark... may God BLESS YOU and KEEP YOU at this difficult time! Please accept our deepest sympathy in the loss of Randy. He was a gem! My Valley City memories are so amazing! I loved your big house in town and getting to come over every time we visited Grandma & Grandpa. We would barely get there, and the phone would ring! Debbie Nielsen!! Thank you, Myla, for such a loving family and for allowing me to be part of it! Randy's picture brings me right back to that time & place. Love you all, Cousin Deb (West) Krueger from Detroit Lakes, Minnesota. 1971 grad also (woohoo!) May Rand join all the other saints and be in the Presence & Glory of God forever! Amen!!

“ I met Randy when I was a "Bloomer". He always had a smile and a friendly greeting when I dropped off paper work...wanting to know how the day went for me. I admired his attitude and courage as he faced each new day. My sympathies to all of his family who were always there to help him and encourage him. Rest in peace, Randy.

“ I first met Randy when I worked at the Times-Record - He would stop each afternoon and I would take the paper out to him - he was so grateful that I would do that for him. I was later lucky to become a "Bloomer". Randy enjoyed hearing about each day in the flower shop when we stopped by with the book work. Randy was a kind and caring man. He will be greatly missed. He was a friend to everyone he met. Sending love and prayers to his family and friends.
