“ My prayers and deepest sympathy to Gary and Rhonda's family. Rhonda was one of the first people I met when I began working at NDSH. She was a good friend and co-worker. She loved to have fun and always had a smile to share. Her spirit and determination the last few years were inspiring.##imported-begin##Lori Park Brownshield##imported-end##

“ I only got to know her for such a short time. But she has left a lasting impression. I miss seeing her out on her deck, usually with the cats by her. I enjoyed the chats that we had. I only wish I would of had the chance to get to know her better. My deepest sympathy to Gary and her family. Jean, her next door neighbor##imported-begin##Jean Zachrison##imported-end##
