very well from high school. He was only a little bit older than us.
Belated condolences.

“ *We sure had lots of fun in high school and confirmation classes.
Dickey knew how to have a good time even though the teachers
and ministers thought we should be more serious. In the last few
years Dickey was proud of his volunteer work and especially
working with the horses for the special needs children. Sorry I can't
be at the memorial service but I'll be thinking of Dickey and his
friends and family. We will sure miss him and every time a see a
biker pulling a sleeper cart behind, I'll always think of Dickey. Rest in
peace buddy. Jan and Dale Andrud*
