“ I miss you everyday Rick. There is a great hole in my heart and in my life without you that will never be filled. We changed each other in many ways. Our time together was much too short, but I thank God we had what we did. You brought fun and love back into my life and unlike most people you appreciated me in ways that no one else ever has. You suprired me with your amazing love and the way you embraced everything about my life. You overwhelmed me with just being you. I miss our daily talks. I miss us. May you have found peace at last. You'll be in my heart forever. "Wait For Me"

“ I never did get the chance to know Rick as I was mostly working out of state while he grew up, but my cousin Myrna and her husband Harlan I have known for years and have always enjoyed the chance to see them both. I am in the state of Oregon, I was given the link to this site by my cousin Debbie yesterday in Portland. I was grieved to learn of Ricks death and my sincere sympathy to his parents, brother and sister, all his children and his loved ones. I lost my son and I know the pain, so sorry.###imported-begin###Jerry Bouck###imported-end###

“ Wade & Family, Rick was a very inspiring & "make you feel good" person from the first time we met. We had worked together & I thought we had figured out life's problems, situations, puzzles & anything in between. Rick had the knack of bringing out the smiles or best of people he touched. I know Rick was involved in farming & aviation, but his true talent was carpentry. I am sorry for not keeping in touch lately, but we always kept our lines open. I feel a true loss & will dearly miss the purple hunting sportsman that he was.###imported-begin###Dan Bauer & Family###imported-end###

“ Harland, Myrna, Kim and Wade; our prayers go out to you through your time of sorrow and grief. Rick will truly be missed by all those whose life he has touched. He was a very close friend to me throughout our high school years. I was shocked and extremley saddened by his premature passing. He has left behind some impressionable memories of our short time together as high school Buds. Since we are unable to be present for the memorial service, be assured we are there in spirit. God grant you all comfort, grace and strength through this time of heartache. Sincerely, Brady & Shirley##imported-begin##Brady and Shirley Hummel##imported-end##

“ Rick you were so deeply loved by your family and those whose lives you touched as they passed through your life. There will always be a huge void caused by your absence, however the void will be lined with many good memories to soak up the tears. When you arrive at the final destination, look up the "Airedale" in the Cracker Jack" suit and have him show you the ropes. Tell him "Boats" misses him.##imported-begin##AO Rider##imported-end##

“ My heart goes out to the Haugen family. I will always remember Rick with his beautiful eyes and contagious smile. He could always make a person feel good with his caring words and laugh. He brought brightness and happiness to those in his company with his radiant smile. It brings much sadness that he is gone. Rick you will be missed by many. You are another star in the sky overlooking all of us. May you be at peace my friend.##imported-begin##Deb - Loretto, MN##imported-end##

“ My thoughts and prayers are with Rick's family - your heartache, unimaginable. I am in tears about his passing... When I think back to the years I lived in North Dakota, I cannot help but think of Rick. Rick made me feel at home in a new town and school when my family moved to Valley City. I have many fond memories - carpooling to Jefferson, fireworks on the 4th, motorcycle rides (especially the time we ran out of gas!)... Above all, I will remember Rick for his contagious smile and as someone who was always a friend. Rick, you are missed.##imported-begin##Dawn Brickell Bryant##imported-end##

“ Harland, Myrna, Kim & Wade and all of Rick's family:

I loved getting to know my second cousin during my two years at VCHS and the times our families gathered. Ricky endures in my memory clad in a motorcycle jacket with the broadest smile and most unforgettable blue eyes I've ever known.

My heart aches for each of you in the loss of your precious Rick. Please know that you are constantly in my thoughts and being lifted in prayer for your strength and comfort during this excruciating grief.

May God, who is close to the brokenhearted, be your refuge, comfort, and strength. (Psalm 46:1)##imported-begin##Tamara (Tami Singleton) Howe##imported-end##

“ Rick - I am so thankful to have had you in my life!! Thank you for the great memories!! I will always love you!
I thought of you with love today but that is nothing new
I thought about you yesterday and days before that too,
I think of you in silence I often speak your name
All I have are memories and your picture in a frame
Your memory is my keepsake with which I'll never part
God has you in His keeping, I have you in my heart.##imported-
