“ We remember Rita's happy personality during our family reunions. She was always happy to share hugs and laughs, and a good sci-fi movie, too. We'll miss her and her great energy. With love from Pato, Alessa, Miro, Isa, Mindy, and Ludvik (Herrera Grant).

“ Cousin Rita could toss a shotput and lift weights with the best of many and always with a smile but then a quick interest in how far or how much she had reached. She could joke with the best of jokesters (including her Uncle Wayne who she always knew and always remembered) and she could show her beautiful shy side in the sweetest of ways. I've seen her at work, among her housemates, with her family, and in the seriousness of Special Olympics competitions from Valley City to the FargoDome. Can't say I ever saw her doing farm work on our Cuba visits, but then she had the best and some of the strongest and most hard-working farmhand brothers and sisters a youngest sibling could ever imagine being among maybe doing all the work for her. And if you never knew Rita's secret "love," it was Michael Jackson and his rocking music! So long, sweet, sweet Rita, you made us all as better as we could be. Cousin Gary Grant in Virginia.

“ *We are so sorry for your loss and simply cannot imagine how much all of you will miss Rita. Our paths only crossed a few times but each meeting left beautiful memories. Rita had an infectious smile and was always so welcoming. I will never forget meeting Rita for the first time as a very young girl on the farm. She was the light in the room! I hope all the happy memories of Rita give you comfort. With love, Chris Grant*
