“ Bob was a great friend, I truly enjoyed working for him at the Ben Franklin store. I will never forget that hardy laugh! My thoughts and prayers go out to Barb, Sue and the rest of the Kelly family. He will be missed.

“ I have had much difficulty finding the words to even begin to reflect my many special memories of Bob. From the time I became his "new neighbor" south of Valley City we shared so many laughs, good discussions and special times. I think often of his spirit, energy, and huge heart - always bring a smile to my own heart. Soar free with the eagles, my dear friend...

“ The Kelly family attended Our Saviors Lutheran Church when my family were also church members. I attended high school with Bob too. I remember chatting with him many times at Ben Franklin after he took over the business. Bob was a unique individual and he made me chuckle many a time. Condolences to his family.

“ Dear Family

My sympathy on the passing of Bob. I remember him as as a good "Tailtwister" in Lions Club. He would humorously fine members for trivial things at meetings.

“ I have so many good memories of Bob. We used to hunt ducks a lot in high school days. Bob always conveniently forgot his waders and would let me know once we got to the slough. I got used to being Bob's bird dog. He will be missed greatly.
