“ Uncle Rod, we lost you far too soon. I'll never forget how you were one of the first people to call and check up on me when I broke my arm way back when. You never forgot a birthday and were always good to talk to when we had the chance. Those big games of joker board and pinochle won't be the same without you. I wish I could be there with the rest of the family. You'll be in my thoughts and prayers. Until we meet again. -Tim###imported-begin##Tim Storhoff###imported-end##
