“ Sincere sympathy to Sheila's family! We got acquainted at Leever's South... what a fun lady! At Leever's North she served with a smile to all despite wearing a beanie cap to cover treatments and then discarding them.... certainly a reminder to all of how she kept on with life and people's lives. Let your family memories be a comfort in the days to come.

I somehow missed her announcement. I think of her often, and was thinking of her today, and found this obituary. She was so nice and kind. I liked when she was my checkout person at Leever's. So brave and determined to keep on keeping on. She struggled with her eyesight and cataracts, trying to read the upc codes. Then just when she got that fixed, the cancer diagnosis. She was truly an inspiration of courage and determination!
