“ I knew both Stan and Judy (good people) worked with Stan at the Eagles. A quiet man of few words, a great listener.....his few words were all about the wife and kids. RIP Stan.

“ Stan & I worked at the Barnes County Courthouse at the same time. I always enjoyed talking with him. He was a very kind, soft spoken man. I remember one time one of you girls were going to prom. Stan talked to me about the cost. I can still hear him say "Margie, it is up to \$500.00; how much will it cost?" I just answered, "O Stan, let Judy enjoy dressing her daughter."

We later kept in contact with him working at the Eagles Club. We visited many times about the love of his life Judy. He missed her so much.

“ Stan was the kindest and most caring person...Whenever we went to the BC Courthouse, he was always the first to welcome you with a smile and a little chit chat...We will miss that smile and wave as the 'red pickup' we passed many times on that old county road...we knew he was going home to his 'Little House on the Prairie'...that he loved so dearly...Thanks for the memories Stan...RIP...You will be sorely missed....Rosie and Daryl Larson...
