

Steven Welken

February 13, 1974 - August 24, 2013

Steven Denver Welken, 39, Valley City, ND passed away August 24, 2013 from injuries sustained in an auto accident near his home.

Steve was born February 13, 1974 in Fargo to Larry and Deloris (Helland) Welken. He was baptized and confirmed in the Lutheran faith and was a member of Faith Lutheran Church in Valley City, ND. Steve graduated from Valley City High School and attended Valley City State University earning a degree in Business Administration with a minor in accounting. He worked briefly for Great Plains Software in Fargo, ND before joining Grotberg Electric Inc. in Valley City in 1996. He was named President of Grotberg Electric, Inc. in 2010.

Grotberg Electric was a second family for Steve. He was a devoted leader who always put others first. He could be counted on for integrity, honesty and compassion. Steve was proud to work as part of the Grotberg team.

Steve loved all sports and had a special passion for playing softball. Steve had strong ties to his alma mater Valley City State University where he taught accounting classes and spent countless hours promoting and volunteering. Steve believed in giving back to his community. He served on the VCSU Foundation Board, V-500 Club, Barnes County Development Board, Valley City Chamber of Commerce, and Rotary Club.

Steve married the love of his life, Erin Hultman, September 1, 2007 in Center City, MN. They were blessed with two beautiful daughters, Reanna age 4 and Kaelyn age 2. Steve's greatest personal accomplishments were marrying Erin and bringing their daughters into this world. Steve believed family came first in life. This was evident in the love and devotion he showed his wife and daughters every day. He will be deeply missed.

He is also survived by his parents, Larry and Deloris Welken, Valley City, ND; sister, Lisa (Bruce) Amundson, Abercrombie, ND; brother Brian (Georgia) Welken, Sanborn, ND; grandfather Denver Helland, Valley City; aunts Marlene (Tom) Sagaser, Jamestown, ND;

Donna (Roger) Hentges, West Fargo, ND; uncles Dennis (Paula) Helland, Kathryn, ND; James (Anita) Welken, Wheatland, WY; Ivan Welken, Valley City, ND; father-in-law and mother-in-law, Alan and Verna Hultman, Center City, MN; sisters-in law, Emily (Don) Honerbrink, Fargo, ND and Amber Hultman, Lindstrom, MN; brother-in-law Shane Hultman, Center City, MN; nieces Abbee Welken, Lexi Welken, Tegan Amundson, and Halle Welken; nephews Gavin Welken and Bryson Honerbrink. He was preceded in death by grandparents Mabel Helland and Leonard and Clara Welken, all Valley City, ND.

“ Dear Deloris & family,

I am so sorry to hear of Steve's death. When I first heard the name, I knew right away it was your son. It's been a few years, but I still remember you talking about your kids! This evening my soon-to-be daughter-in-law asked if I had heard about the accident and said she works with Emily, so it really is a small world. My prayers go out to you and your family. I watched the tribute video and he really does have a precious family! HUGS!

“ Welken, Hultman family,

I had the opportunity to grow up and go to high school with Steve. It had been quite a few years since I had talked him but, when I did get see him, it was as if no time had past at all. As everyone knows, Steve put others and their needs ahead of his own. I am lucky enough to have a lot of wonderful memories of some great weekend hunts after friday night football games. My prayers and love to all of Steve's family and friends. The world has lost one cool, funny dude.

“ Steve was barely out of college himself when he began volunteering as one of the early leaders in VCSU's expanding efforts to raise funds for scholarships and other important purposes. He exhibited a level of loyalty, persistence, and commitment far beyond his years and was an invaluable member of the university family. We reviewed a lot of numbers together! I enjoyed teasing him about his bachelorhood, and I enjoyed even more watching his relationship with Erin grow and flourish. He was a good person, and we are all the poorer for his loss. My thoughts and prayers are with you. Ellen Chaffee

“ I was deeply saddened when I heard about Steve's accident. He was a high school wrestling teammate of mine and then I played softball with him before moving away from Valley City. What I will remember about him is probably what many people will say about him, "He was one of the nicest guys you could ever know." Valley City lost a great man. My thoughts and prayers are with his family.

“ Many hearts in Valley City are saddened today due to the untimely loss of a good friend, good citizen, and loving father and husband. Our sympathy extends to everyone whose life was touched by this vibrant young man. It is very difficult to find words that will comfort during such a tragic time. Please know that you are not walking this journey alone; others are remembering your son, husband, and father and praying for your comfort.

“ *I remember Steve as a thoughtful boy who grew into a great man. He was a polite, quiet little kid. I recall his happiness the day he married Erin and how he blossomed as a father when Reanna and Kaelyn came into their lives. I think of Steve as being gentle and kind and I'll always remember his laugh... that little chuckle. Whenever he'd stop by our house I always seemed to have a small project for him, usually involving a ladder because Roger won't get on one (!). He'd cheerfully help clean the shower fan or replace a light bulb or whatever it was. His final project entailed he and Roger rehanging two large pictures over our open stairway. Needless to say, I should have stayed to supervise. I've looked at those pictures for over a year now and visualize those two with their heads tilted, proudly saying "that looks pretty good". Today the alignment of those pictures isn't so important to me but rather I look at them and think of Steve. Words can't express how much we'll miss him but oh those memories will be there forever. He was much too young to leave this world but the world is a better place because of him. I take comfort in knowing he's with his Grandma Mabel and cousin Jil and that together they're watching over us. We love you sooooo much, Steve!! Aunt Donna (Helland) & Uncle Roger Hentges*

“ On our first computer we had a Wheel of Fortune game. Steve would challenge me frequently and I always won. He just couldn't understand how I could figure out all those words. Well, he finally beat me. He was in grade school at this time but he was always striving to figure it out. Through the years whenever I watch Wheel of Fortune I would wonder which one of us would figure out the puzzle first. Yeah, most likely Steve with a chuckle at the end.

“ Steve was a big part of our community and the VCSU Foundation. He was always committed to making things better today than they were yesterday. We enjoyed having him as a member of our team and benefited greatly from his leadership, expertise, and dedication. He was especially proud of Erin and the girls. He gleamed when we talked family and he couldn't wait to join them at the end of the day. I thoroughly enjoyed our many conversations. Steve was a special person in every way. He gave so much to so many. He will be missed. His family is in our thoughts and prayers. His passing is a big loss to our entire community.
