“ My sincere condolences to Gini's friends and family. May God bless and comfort you. Gini was a very special lady. I'll always remember her kindness at sister Pat's burial service and her part in inviting us and others for lunch at the church. We kept in touch after that. I'll always be grateful for that day. Even though sis had been away for many many years, she and others were there for us. God bless you Gini.
