“ So sorry to hear of Warrens passing. My condolences to you LuAnn, Don and family. I don't have many memories to share as it's been many years since we have had contact. I just remember childhood times when we would visit the farm. I always loved those times. I will be thinking of you all on Friday.

“ Warren was such a dear neighbor and one of my dads best friends. I knew him growing up, my children knew him - we all looked forward to seeing him at Waldheim on Sundays and hearing “Hello, hello, hello how long are you visiting for? So good to see you!” It was the standard greeting whenever we were back in the area.

“ I had the pleasure of meeting Warren for the first time up at the Legion in Valley City one day last fall. We talked like we were old buds, drank a couple of cold ones and even swatted some flies together. I was very saddened to hear the news of his passing. I never had the opportunity to see him again beyond our first and only visit. He will be missed by many who knew him. RIP Warren.
