“ Surprised and sad to hear of Willies death. I talked to him at last Thursdays aucton. He pointed out his son and grandson .I'm the guy that would come visit him and bought several tractors within the last 15 years. We both trusted each other and shared a few troubles we had. We planned a visit yet this fall, now not to be (sad).If there's any thing I could do for yous, please call me. I would be interested in many of the tractors left there, when the time comes. Extending my sympathy to all of you. Don Biewer Barnesville MN. 7013616224
