“ *The time before his flight
Was but a brief delight*

*For most could only wonder
Why this life became asunder*

*In passing we begin to learn
The quiet and kind we yearn*

*So he followed his own plan
And was a solitary man*

*Our hearts must now pay a toll
For knowing this peaceful soul*

Bill was a good man who loved us deeply. He did spend some time in our area about 40 years ago. Lyle, plus me & our kids enjoyed several meals plus some tv time together. He was delightful & carried on a great conversation. Bill was traveling through our area, he had been working on the oil rigs up in the NW, after leaving us Bill returned to his career on the rigs. We exchanged letters for a couple more years which I kept our correspondence. Absolutely a delightful person. RIP, Bill...

“ *He was a wonderful man. He loved to joke around and had such a sense of humor. He's a man that touched a lot of lives and made an impact on those who had the opportunity to know him. He will never be forgotten and missed dearly.*

Megan Moser I would love to speak with you sometime about my Uncle Bill. I remembered him when I was a child and would love to know more about his life.
