“ Uncle Windy was a great uncle by coming all family events that he and Aunt Lila could which was many bringing their “Minnie Winnie” and rides from others in his later years. I learned of the love he and Aunt Lila had throughout their courtship and marriage stories during my parents 50th wedding anniversary just last year. He will be missed by many but the angels welcomed home another great man.

“ *We will so miss Windy. He was always with Lila coming to AL family occasions when ever they could make it. It was Windy who taught me how to shift for myself in his red Ford, he was a wonderful partner for cribbage. After 75years e was not a brother-in-law he was a brother. Yes we will definitely miss Windy. HAPPY BIRTHDAY,*
